

Please note that admissions for Std XI in R.N. Podar School is an ongoing process and admissions are done on a first come / first serve basis (post checking that the student meets the minimum admission criteria).

The admission process will stop once the seats have all been filled up.

Since seats are limited, we request all interested parents to take admission in Std XI as soon as possible.

The Online Admission form can be found on [www.podar.org/registrations](http://www.podar.org/registrations)

Best Regards,

R. N. Podar Admission Cell
